

LifeWave Appreciation Portal

LIFEWAVE®

I want to recognise my amazing sponsor Maria...

What is the Appreciation Portal?

The **LifeWave Appreciation Portal** allows members to submit recommendations on team members they believe deserve a shout out from LifeWave Corporate on our Global Newsletter, general communications and on our social media channels.

What type of things can I submit to the Portal?

If you have a team member who just enrolled their first new member, or they achieved a personal goal for the month, we want to know about it. If your own team leader is doing a great job at supporting you with your business efforts, we want to hear how great you think they are.

If you are hosting or attending a meeting, give us a shout...

If you're simply having fun as a team, or enjoying a great training event, send in your pictures and we'll let everyone know about it.

Nothing is too big or too small to get a little appreciation and recognition!

Can I submit photographs to the Portal?

Absolutely... in fact we encourage it!

Right now, you can only submit ONE photo per entry. This photo must be less than 5MB and in .jpeg, .png, or gif format only. We cannot accept videos at this time. If you want to submit more than one photograph, please send them to marketing@lifewave.com for Global submissions or eumarketing@lifewave.com for European submissions.

How do I submit something to the Portal?

- Log into your **Back Office** and go to the '**Resources**' Section.
- In the left-hand side menu, click on '**Appreciation Portal**'.
- A **form** will appear where you can submit your recommendation.

Am I guaranteed a mention once I submit my recommendation?

LifeWave Corporate reserve the right to accept or reject any submission from the Appreciation Portal. Depending on the volume of submissions, the corporate team will select which recommendations are published through our communication channels.
