**From Fiber:**

Incorporates prebiotic fiber to your daily routine.\*

\*These statements have not been evaluated by the Food and Drug Administration.  
These products are not intended to diagnose, treat, cure, or prevent any disease.

## WHAT IS SEA BUCKTHORN?

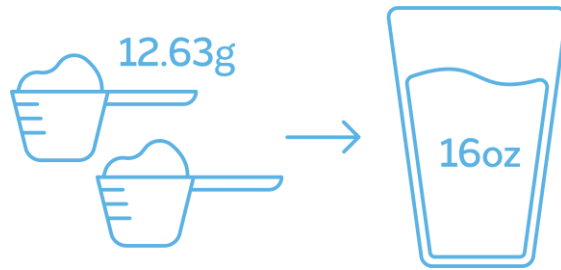

Sea buckthorn, known as “holy fruit” in Tibet, is found in centuries-old medicinal texts in Tibet and China. Recently, science has come to discover its dense nutritional content of omega 3 6 7 9, vitamins, and antioxidants.\*

## WHAT IS CYANTHOX™?

CyanthOx™ is extracted from an ancient plant grown in Tibetan Plateau called sea buckthorn. Through millions of years of evolution, sea buckthorn is a treasure of bioactive nutrients. CyanthOx™ water-soluble extract is a unique and rich combination of polyphenols, proanthocyanidins, and bioflavonoids.\*

# HOW TO USE

For one serving, mix 2 scoops (12.63g) with 16oz (500ml) of clean, filtered water. Stir well until fully dissolved. For best results, consume in the morning, either on an empty stomach or with food.

## CAUTIONS

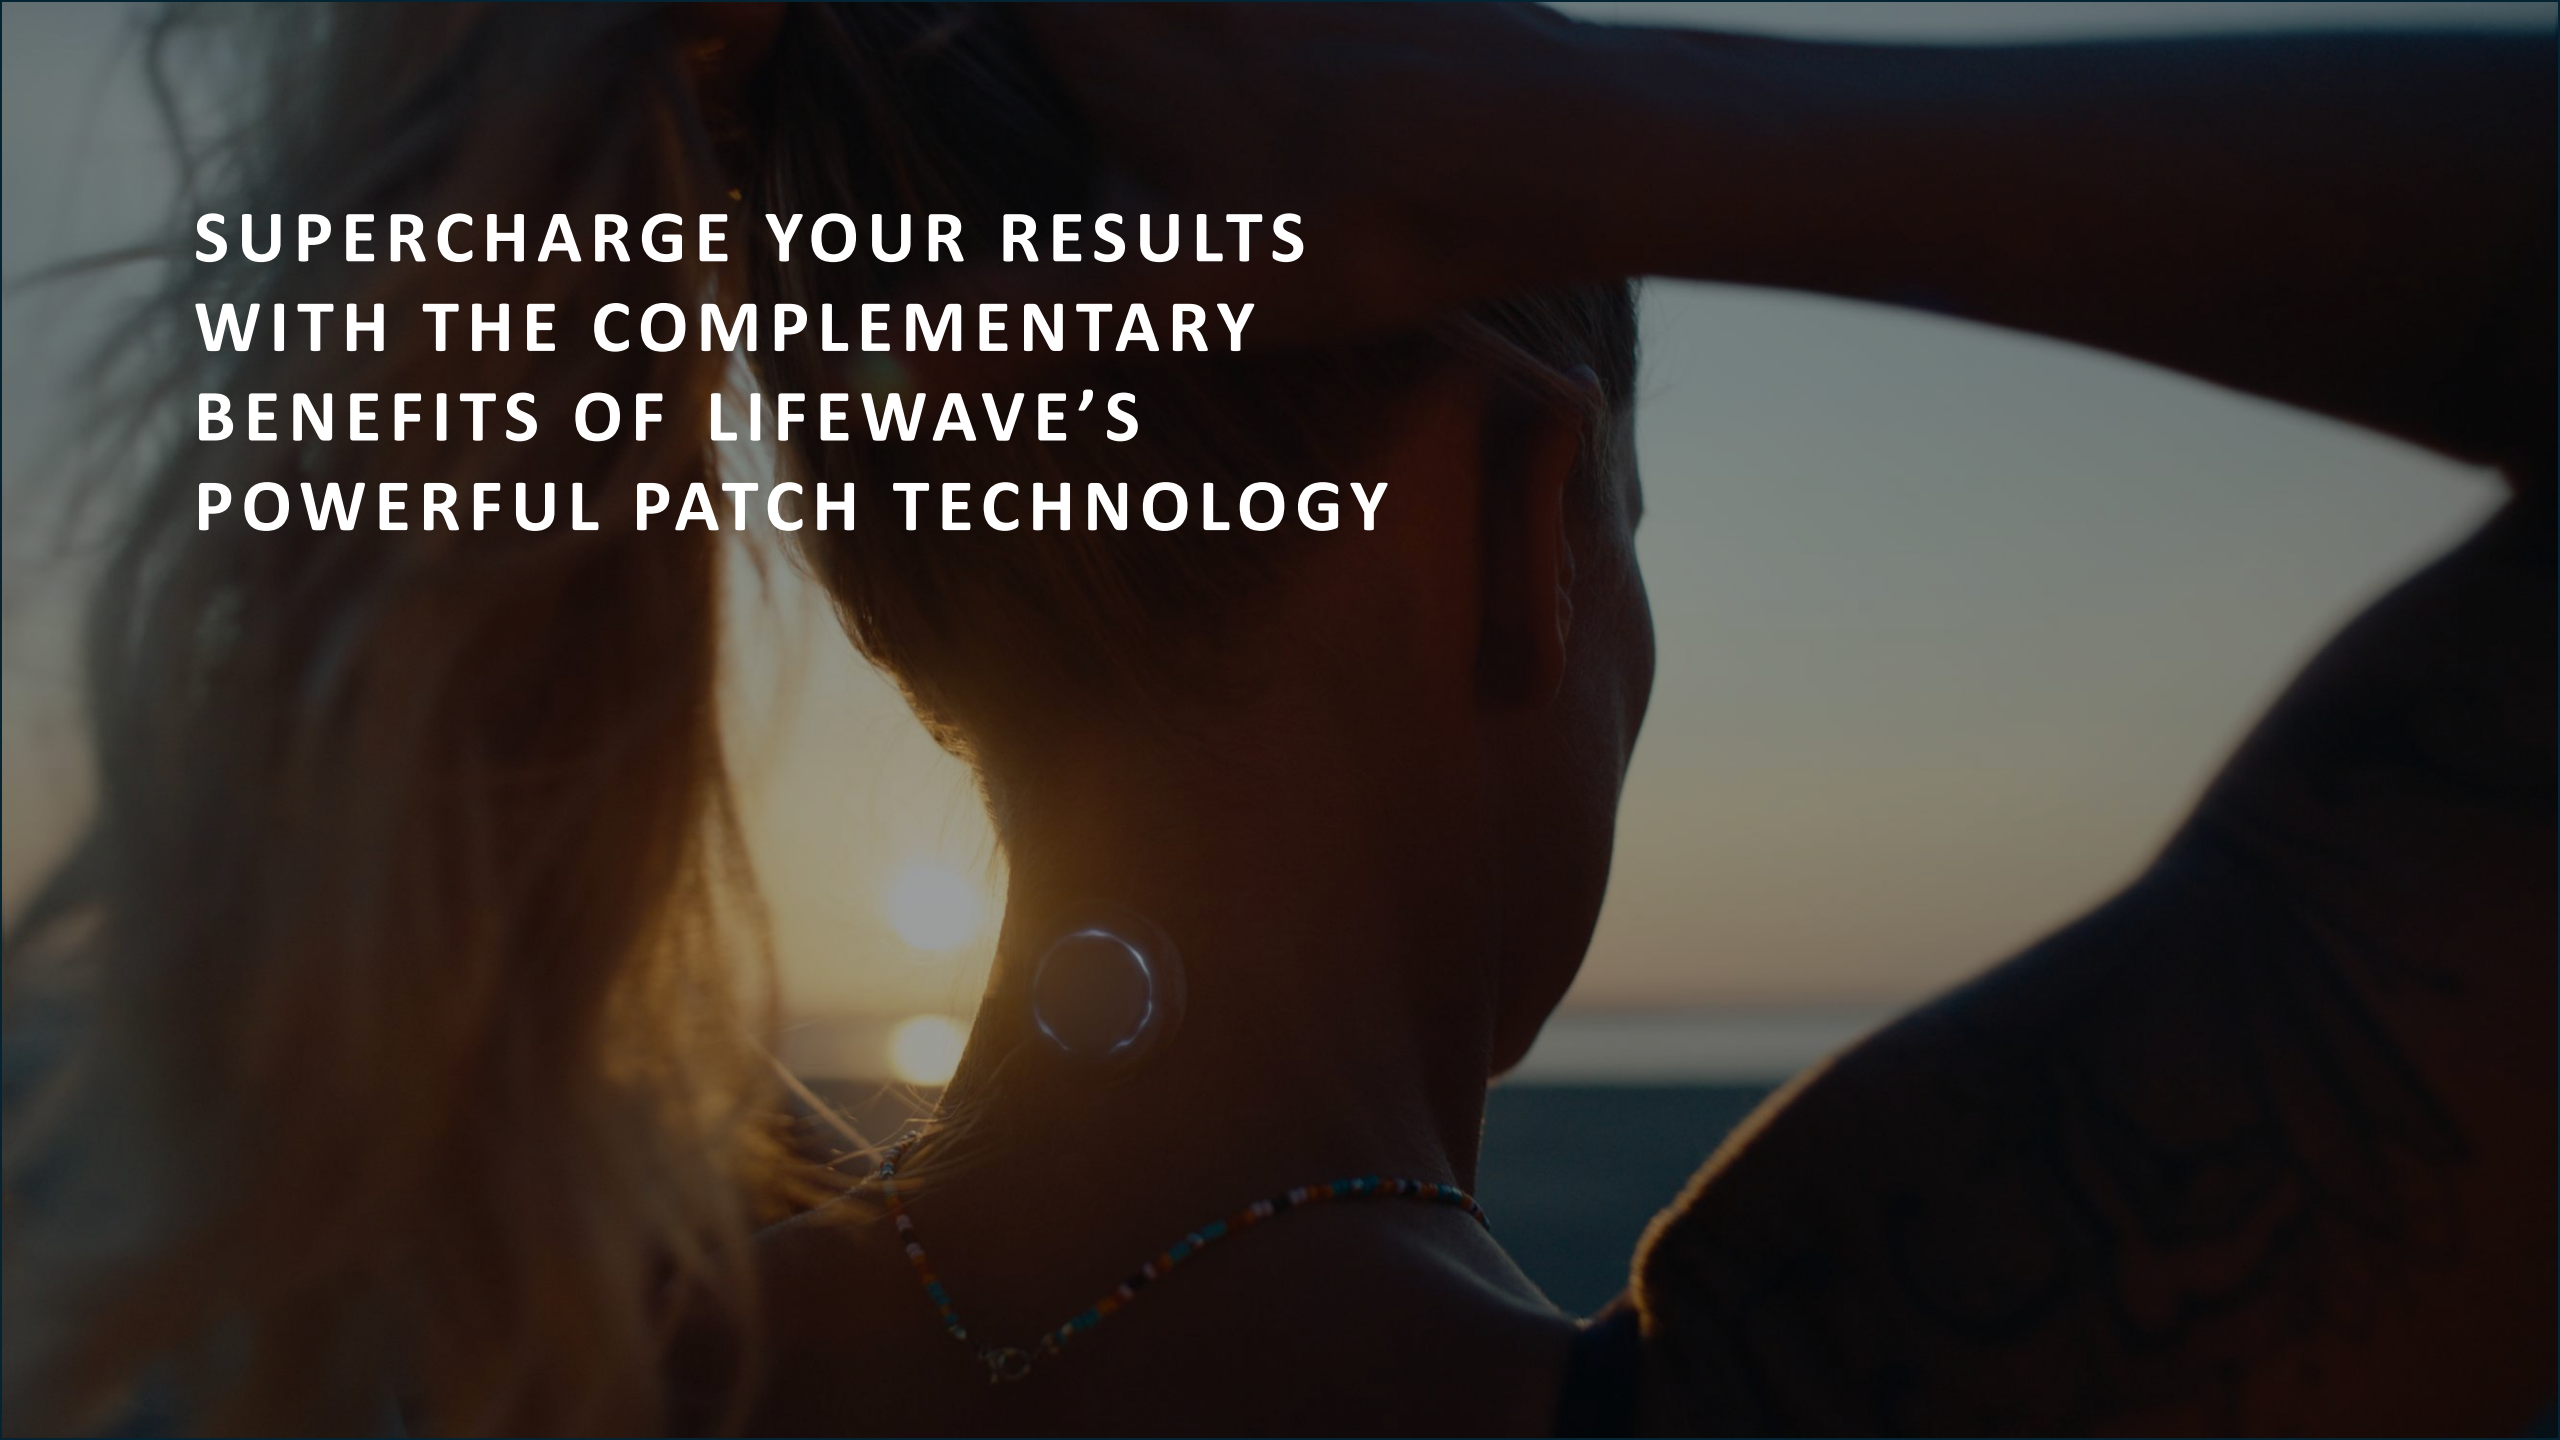

Use as directed. Do not exceed the stated dosage. Please consult your qualified healthcare professional before use, especially if pregnant, breastfeeding, taking medication or if you have a known medical condition. Suitable for individuals 18 years and over. Keep out of reach of children. Desiccant included.

## HOW TO STORE

Store in ambient temperature. Protect from heat, light and moisture. Do not use if canister seal is broken. Once opened, consume within 30 days for optimal freshness and quality.

A close-up, low-angle shot of a person's neck and shoulder. The person is wearing a small, circular, translucent patch on the side of their neck. They are also wearing a thin, multi-colored beaded necklace. The background is a soft, out-of-focus sunset or sunrise scene with warm, golden light. The overall mood is serene and natural.
