LIFEWAVE POLICIES & PROCEDURES

The following are the Policies & Procedures (hereafter referred to as “Policies & Procedures”, “Policies”, “Terms”, or the “Agreement”) that became effective as of December 15, 2020. These terms are a binding agreement between LifeWave, INC. (hereafter referred to as “LifeWave” or the “Company”), and the LifeWave Independent Distributor (hereafter referred to as “Independent Distributor”, “Distributor”, or the “Member”). Revision date: November 15, 2020. *

*The most recent version of the Policies & Procedures produced by LifeWave supersedes any previously downloaded, saved, printed, or distributed summary material.

INTRODUCTION

LifeWave’s Policies & Procedures govern the manner in which a LifeWave Member does business with LifeWave, other LifeWave Members, customers, and other persons or entities. The LifeWave Compensation Plan (the “Compensation Plan”), the LifeWave Membership Application (the “Membership Application”), and the Policies & Procedures constitute a complete contract (the “Contract”) between independent LifeWave Members and LifeWave. LifeWave reserves the right to change any of the Policies & Procedures at its discretion. LifeWave also reserves the right to overrule any policy or procedure at its discretion. Changes will become effective after their appearance in any LifeWave publication notice or posting on an official corporate website.

In the event any term/s found within these Policies is determined to be outdated, invalid, or otherwise unenforceable, adjustments and updates will be made accordingly. However, the invalid term/s does/do not render any other term found herein to be the same. Subsequently, all other terms within this document shall continue to remain in full force and effect.

By agreeing to these policies, the Member is also agreeing to LifeWave’s Distributor/Member Agreement, Purchase Terms & Conditions, and Privacy Policy. (Collectively known as LifeWave’s “Terms & Conditions”) A Member’s agreement to these Policies is considered to be in full effect upon the Member’s acceptance of these terms during the enrollment process, their completion of the Contract, their recruiting or sponsoring of a new Member or Customer, their initiation/completion of a product order, and/or their acceptance of any commission or bonus.

SECTION 1: LIFEWAVE ETHICS

- 1.1. Submissions to the Company:** LifeWave desires to provide its Members with the best products and Compensation Plan in the industry. Accordingly, LifeWave values constructive criticism, honest feedback, and unique insights and encourages the submission of such in written form for adequate review. Members should submit information or content to the LifeWave for review and response. For matters relating to Compliance, all information and content may be directed to compliance@lifewave.com.

Any information submitted to the company must be true and accurate. Members must take reasonable measures to avoid submitting overly biased, exaggerated, or unverifiable gossip or hearsay and should never engage in the omission of pertinent facts or details to garner benefit or favor for themselves or others. Purposeful or reckless submission of false information, especially information designed to disparage or harm a LifeWave Member, Customer, or Employee, shall be considered a violation of these terms.

- 1.2. Negative or Disparaging Remarks & Activities:** Negative, disparaging, inappropriate, misleading, or false comments, claims, and remarks about LifeWave, its officers, directors, employees, partners, members, products, opportunity, Compensation Plan, or third-party entities (including competitors), by LifeWave Members and/or Customers at any time, in any manner, and through any medium, is strictly prohibited. This includes any form of defamation, libel, or slander. Such disruptive behavior serves no legitimate purpose other than to demean and do harm to LifeWave, its business, and associated parties. Such conduct represents a material breach of these Policies & Procedures and may be subject to sanctions as deemed appropriate by LifeWave including, but not limited to, involuntary termination.

Additionally, any manner of harassment, abuse, intimidation, threats, or violence by any Member against any person or entity (including LifeWave, its officers, directors, employees, Members, Customers, etc.) through spoken, written, visual, or other methods is strictly prohibited. Use of any inappropriate coercion or force (i.e. any form of extortion or similar tactics), favors, agreements, requests, and advances (physical, sexual, or otherwise) in association with LifeWave will not be tolerated and may result in termination and/or possible legal recourse.

1.3. LifeWave Guiding Principles:

1.3.1. Atmosphere: A LifeWave Member must show fairness, tolerance, and respect to all people in association with their LifeWave business and related activities, regardless of race, gender, social class, nationality, or religion, thereby fostering a 'positive atmosphere' of teamwork, good morale, and community spirit.

1.3.2. Disagreements: LifeWave Members shall strive to resolve general business issues, including disagreements or other personal situations with upline or down-line Members, by emphasizing tact, honesty, common courtesy, sensitivity, goodwill and taking care not to create additional problems or to generate a disruptive/hostile business atmosphere.

1.3.3. Honesty & Ethics: LifeWave Members must always be honest and truthful and shall not make disparaging, negative, untrue, or misleading statements about LifeWave, its employees, products, sales and marketing campaigns, Compensation Plan, other Members or Customers, other businesses or competitors, or make statements that

unreasonably offend, mislead, or otherwise influence or coerce others in any way.

- 1.3.4. Professionalism:** LifeWave Members must always conduct themselves ethically and professionally. LifeWave may take appropriate action against a Member if it determines, in its sole discretion, that a Member's conduct is inappropriate, detrimental, disruptive, or injurious in any way to LifeWave, its business, Members, or to other persons or entities.
- 1.3.5. Ownership/Authority:** LifeWave Members do not have any manner of ownership, rights, or authority regarding LifeWave's intellectual properties including, but not limited to, copyrights, trademarks, logos, trade secrets, images, products, or any distinctive slogan or phrases used by LifeWave. Members are prohibited from using such properties in any manner inconsistent with what has been expressly approved by LifeWave. LifeWave maintains the right to determine, at its discretion, what usage is considered approved and may rescind any prior approval as it deems necessary.

SECTION 2: DEFINITIONS

- 2.4 LifeWave Sponsor:** The person or entity (LifeWave Member) who directly enrolls another LifeWave Member.
- 2.5 LifeWave Membership:** The position within the LifeWave Membership organization that a Member holds.

- 2.8 LifeWave Distributor:** This term is used interchangeably with the term "LifeWave Member" throughout the LifeWave system.
- 2.9 LifeWave Network:** The LifeWave Network is the individual and collective culmination of Member and Customer accounts registered with LifeWave; including any direct, indirect, or tiered relationships created through the enrollment/sponsoring process. LifeWave's Network

is considered to be a proprietary asset and protected property owned solely by the Company. The LifeWave network is exclusively utilized for authorized business activities and purposes of LifeWave, its Members, and Customers. Members/Customers agree and understand that they do not have direct or inherent ownership in or of the LifeWave Network and waive any rights or claims to such.

SECTION 3: THE APPLICATION PROCESS

- 3.1 Application:** A person or entity may become a LifeWave Member by completing, signing, and returning an official Membership Application (i.e. by hand) or by applying online or by phone. An application for a LifeWave Member will be accepted only for an individual, private person, partnership, proprietorship, or limited company with the appropriate signature on the form. All applicants must be 18 years of age or older (unless otherwise specified by local laws of their resident country) and must apply through their country/market of legal residence. The application form (paper or online) must be completed fully and accurately and submitted to LifeWave. The Applicant's signature indicates acceptance of all Policies & Procedures. In the case of an online Application, the Applicant must check the box indicating acceptance of all Policies & Procedures. Lifewave reserves the right to disallow or retroactively deny an application for any reason.
- 3.2 Member Status:** LifeWave may consider a Member a wholesale customer until the Member earns a commission under the LifeWave compensation plan. Once a Member earns a commission under the LifeWave compensation plan, the Member will be considered an Independent Distributor.
- 3.3 Territory:** Acceptance of a Membership Application by the Company authorizes that Member to conduct business in the United States, as well as any other country identified by LifeWave through a formal announcement to LifeWave Members generally.
- 3.4 Customer ID Number:** Every LifeWave Member will have a unique numerical identification number ("ID number") issued by LifeWave. In addition, there are Policies & Procedures specifically related to any payment or fund disbursement methods used by LifeWave to compensate Members/Distributors.
- 3.5 Beneficial Interest:** (Actions of Household Members or Affiliated Parties)

Members/Individuals, companies or legal entities, or members of the same household may not enter into or have a beneficial interest in more than one LifeWave account or position. "Beneficial Interest" includes but is not limited to an individual/entity having a direct interest in or benefit from multiple accounts (Member or Customer) that utilize or share payment methods, bank accounts, account details (including emails, phone numbers, billing and shipping address, etc.), commissions payment channels, etc. A "Household" is defined as all individuals who are living at or doing business at the same address, and/or who are related by marriage, domestic partnership, or who are living together as a family unit or in a family-like setting. Exceptions may be allowed for specific circumstances, such as for spouses, at the sole discretion of the Company.

All LifeWave Members who share the same address must be within the same line of sponsorship. If any individuals of a Member's immediate household engage in any activity

which, if performed by the Member, would violate any provision of the Agreement, such activity may be deemed a violation of these policies and the Member (account holder) may be held responsible for such activities. LifeWave will proceed with a fair and honest investigation to ensure correct practices regarding the Policies & Procedures and may take disciplinary action according to these Policies & Procedures against the respective Member.

- 3.6 Corporation & Partnership:** - A Corporation or partnership may be a Member. They may apply to have their checks issued in their registered corporate name upon application and submission of the appropriate documents including a valid business license or registration number. The principals or partners must disclose their name, address, and Social Security Number or Federal Tax/Government ID Number. Each principal and/or partner may not hold an interest in another LifeWave Member position. Proof of a valid business license or registration is required to add or amend company names. A company must contact the Customer Service Department with the appropriate documentation from the relevant tax authorities to register their business center in their company name.
- 3.7 Trusts:** Trust applications must include a signed letter identifying the manager or trustee of the trust.
- 3.8 Sole Proprietors and Other Entities:** Sole proprietors and Registered DBA's (i.e., Doing Business As), with distinct Tax Identification Numbers, may be required to submit a signed statement or copy of ownership or other appropriate documentation and tax identification information from relevant tax authorities whereby the Sole Proprietors or Other Entities are registered. Any associated principals or members must disclose their name, address, and Social Security Number or Federal Tax/Government ID Number. Each principal and/or member may not hold an interest in another LifeWave Member position. Proof of a valid business license or registration may be required to add or amend company names.
- 3.8.1 VAT Registered Resellers:** On submission of relevant tax documents, the member will become eligible for tax exemptions consistent with local law.
- 3.9 LifeWave Membership Status Changes:** A LifeWave Member who wishes to change his or her status from that of an individual LifeWave Member to a participant in a corporation, partnership, or trust under the same sponsor may do so, subject to the prior written approval from LifeWave.
- 3.10 LifeWave Member Marriage:** If two LifeWave Members choose to marry, they may maintain their separate, independent organizations.
- 3.11 LifeWave Member Divorce:** If married LifeWave Members who share a Membership obtain a divorce, LifeWave will continue to treat the Membership according to the original Membership Application until such time that LifeWave receives written notice from both parties, or official court documentation, directing otherwise.
- 3.12 LifeWave Member Death (Succession):** In the event of a LifeWave Member's death, the Membership may be conveyed by will or the laws of intestacy to the Member's heirs subject to LifeWave's prior approval.
- 3.12.1 Death/Incapacity:** Upon the death or incapacity of an Independent Distributor, their LifeWave account may be passed on to his or her legal successors in interest (successor). Whenever a LifeWave business is transferred by a will or other testamentary process, the successor acquires the right to collect all bonuses and

commissions of the deceased Independent Distributor's sales organization. The successor must:

1. Complete and sign a new LifeWave Independent Distributor Agreement.
2. Comply with the terms and provisions of the Independent Distributor Agreement.

3.12.2. Payments: Bonus and commission payments of a LifeWave business transferred based on this section will be paid in a single check to the successor. The successor must provide LifeWave with an "address of record" to which all bonus and commission checks will be sent. Checks will be based on the current performance of the position, not the highest rank or volume achieved.

3.12.3. Joint Successors: If the business is bequeathed to joint devisees (successor), they must form a business entity and acquire a Federal taxpayer identification number. LifeWave will issue all bonuses and commissions and one 1099 Miscellaneous Income Tax form to the business entity only.

3.12.4. Legal Documentation: Appropriate legal documentation must be submitted to the LifeWave Compliance Department to ensure the transfer is done properly. To affect a testamentary transfer of a LifeWave business, the successor must provide the following to LifeWave Compliance Department:

1. A certified copy of the death certificate; and
2. A notarized copy of the will or other appropriate legal documentation establishing the successor's right to the LifeWave business.

3.12.5. Transfer of Account: To complete a transfer of the LifeWave business because of incapacity, the successor must provide the following to the LifeWave Compliance department:

1. A notarized copy of an appointment as trustee;
2. A notarized copy of the trust document or other appropriate legal documentation establishing the trustee's right to administer the LifeWave business; and
3. A completed Independent Distributor Agreement that has been executed by the trustee.

3.12.6. Existing Account: If the successor is already an existing Independent Distributor, LifeWave will allow such an Independent Distributor to keep his or her current position plus the inherited position active for up to 6 months. By the end of the 6-month period, the Independent Distributor must have compressed (if appropriate), sold, or otherwise transferred either the existing position or the inherited position.

3.12.7. Termination by Successor: If the successor wishes to terminate the LifeWave position, he or she must submit a notarized statement stating the desire to terminate the position, along with a certified copy of the death certificate, appointment as trustee, or other appropriate legal documentation or let the position go inactive.

3.12.8. Bereavement Pay: Upon written request, LifeWave may, at its sole discretion, grant a bereavement waiver and payout at the last "paid as" rank.

3.13 LifeWave Membership Transfers: LifeWave Memberships (accounts) are considered to be key elements of the LifeWave Network; a protected, propriety asset owned by the Company. As such, no LifeWave Member may sell any membership/position or delegate or assign any duties

as a Member, without first submitting all necessary details and materials to the LifeWave Compliance Department for consideration, and subsequently receiving approval. Any transfer or reassignment of any account without the proper, requisite submissions, documentation, and approvals is deemed invalid and the transferee/new assignee will have no rights or authority relating to the account. A government-issued form of identification for the transferee/new assignee must also be submitted with the transfer form.

At no time may a LifeWave member transfer his, her, or its business center and simultaneously transfer into and obtain ownership of a separate business center. This would be considered re-sponsoring. If a business center is transferred, the previous owner will be considered to have effectively resigned their LifeWave position. According to Policy 11.2 Voluntary Resignation, said member must wait 6 months before rejoining in a new LifeWave position under new sponsorship.

Accordingly, LifeWave will not approve any requested transfer if it is determined that the request is without reasonable merit and/or appears to be an attempt to circumvent or manipulate LifeWave's programs, commission plan, policies, or the requirements set forth herein. The Company will not recognize any transfer or reassignment, nor allow any rights of membership, for any transfer that has not been properly approved by the Company. The Company maintains the right to take ownership of and/or terminate any membership found to be in violation of these policies. The company also maintains the right to, at its sole discretion, approve or deny transfers as it deems necessary, in the best interest of the company, or as dictated by any associated laws or regulations.

All transfer requests must be directly instigated and submitted by the account holder. (Owner of the account being transferred) Requests from Sponsors, upline Members, or third-parties may be automatically declined, per the terms outlined in Section 5.1 of these policies. Lifewave Members are prohibited from promoting, selling, offering, or otherwise using a downline position as a recruiting tool, method of enticement for a potential Member, or any other reason. Such activity is considered to be a form of "slotting" or network manipulation. Anyone engaged in this, or similar practices, will be deemed to be in violation of these policies and will be subject to the terms outlined in Section 11.

3.13.1 Points: Only points earned within the 12 months preceding a transfer may be eligible for retention on the account, at the Company's sole discretion. All accumulated points older than 12 months will be deleted. Retention of points is not a guarantee for any transfer and total amounts of point retention may be determined on a case-by-case basis.

3.14 LifeWave Membership Account Changes: Account changes, such as changes in the LifeWave Membership name of record, billing address, company name, or tax ID may be accomplished by submitting a Change of Name, SSN, and/or Tax ID form (located in the LifeWave back office under Resources) and the necessary documentation to the Customer Service Department. Any addition of Company information must be supported by proof of a valid business license or registration.

3.15 Legal Age: LifeWave Member applicants must be of legal age in the jurisdiction of the applicant's residence. Inadequate age may result in the denial of an application or the termination of an existing account.

- 3.16 Inaccurate information:** If a LifeWave Member provides inaccurate information (including signatures) on an application, transfer form, sponsor change/move request, or provides the company with any personal or business information or identification that is inaccurate or a false representation, the LifeWave Membership may be terminated by LifeWave.
- 3.17 Acceptance of Policy:** Once an Independent Member places an order, recruits/sponsors a new Member or Customer, participates in any promotions or events or accepts any commissions or bonuses from the company, the Member's full acceptance of the terms, changes, amendments, and modifications to LifeWave Policies & Procedures is affirmed.

SECTION 4: LIFEWAVE MEMBER RESPONSIBILITIES & BUSINESS PRACTICES

- 4.1 General:** A LifeWave Member must comply with the LifeWave Code of Ethics, the Policies & Procedures, the Membership Application, the Compensation Plan, all contractual obligations, and state, federal, and other applicable laws.
- 4.2 Independent Contractor Status:** A LifeWave Member is an independent contractor and is responsible for his or her business expenses, decisions, and actions.

A LifeWave Member shall not represent himself or herself as an agent, employee, partner, or joint venture partner with the company. A Distributor shall not make purchases or enter into any transactions in the Company's name.

A LifeWave Member's work hours, business expenditures, and business plans are not dictated by the company. A LifeWave Member shall make no printed or verbal representations that state or imply otherwise.

A LifeWave Member is fully responsible for all of his or her verbal and/ or written statements made regarding the products, services, and the Compensation Plan which are not expressly contained in official Company materials and the LifeWave Member agrees to indemnify the Company against any claims, damages, or other expenses, including attorneys' fees, arising from any representations or actions made by the LifeWave Member that are outside the scope of the contract. The provisions of this section survive the termination of the contract.

- 4.3 Contacting Lifewave Suppliers, Vendors, Research Partners & Research Facilities, Scientific Advisors/Partners, Etc.:** LifeWave members are prohibited from directly or indirectly contacting or soliciting information from any LifeWave suppliers, vendors, research partners or research facilities, scientific advisors, joint companies/entities, associated universities/labs, or any other LifeWave partners or consultants, without the prior written consent of the Company.
- 4.4 Contacting Medical Facilities and Personnel:** LifeWave Members MAY NOT contact, solicit, or in any way attempt to sell LifeWave products to, hospitals, medical clinics, or to the doctors who staff these facilities for purposes of representing that LifeWave products in any way will treat or cure any medical condition. Contacting such facilities or the medical professionals on staff for this purpose will create very damaging circumstances that will negatively affect LifeWave. Because of this potential damage, LifeWave is taking the firm position that any Member who violates this policy is subject to immediate termination of their LifeWave Membership. This policy does not preclude LifeWave Members from contacting individual

medical professionals or health practitioners to share LifeWave technology as a normal course of typical LifeWave business activity.

4.5 Solicitation for Other Companies or Products (Cross Recruit, Enticement, Downline Raiding)

- 4.5.1. Other Business Opportunities:** A LifeWave Member may participate in other **non-competing** direct sales, multilevel, network marketing, or relationship marketing business ventures or marketing opportunities. However, during the term of this Agreement and for one year thereafter, a LifeWave Member must refrain from sponsoring or recruiting any non-directly sponsored LifeWave Member or customer for any other direct sales or network marketing business.
- 4.5.2. Recruiting:** The term “Recruit” means actual or attempted solicitation, enrollment, encouragement, or effort to influence in any other way (either directly or through a third party), another Member or customer to enroll or participate in any direct sales or network marketing opportunity. This conduct represents recruiting even if the Member’s actions are in response to an inquiry made by another Member or customer.
- 4.5.3. Enticing:** The term “Entice” means actual or attempted solicitation, enrollment, encouragement, or effort to influence in any other way (either directly, indirectly, or through a third party), another LifeWave Member or customer to enroll or under a different organization and/or to leave their current position. This conduct represents enticing even if the Member’s actions are in response to an inquiry or request made by another Member or customer.
- 4.5.4. Higher Ranks/Leadership:** Due to the visibility and influence of the Company’s higher-ranking Members, LifeWave Members who achieve the rank of Presidential Director and above, agree not to actively promote any network marketing opportunity, direct sales, or party plan company, regardless of the company sells competing products or not. Presidential Directors are not required to relinquish their income from any other opportunity they may be involved with, however. Members who achieve the Presidential Director rank or above, may not be featured in promotional materials for other companies, including but not limited to company videos, on-stage presentations, awards ceremonies, promotional ads or flyers, leadership calls, etc. Any breach of this section could lead to the immediate suspension and/or termination of the Member’s LifeWave account. The company, in its sole discretion, may waive or give an exception to this policy, as it deems necessary,
- 4.5.5. Competing Companies:** During the term of this Agreement and for a period of one year thereafter, any LifeWave Member must not sell or promote, or entice other LifeWave Members or Customers to sell or promote, any competing products, services, opportunities, or materials. Any product or service in the same category as a LifeWave product is deemed to be competing (e.g. Any competing product regardless of differences in cost, application, or quality.)
- 4.5.6. Cross-Promotion:** A LifeWave Member may not offer, promote, or recruit for any non-LifeWave opportunity or products at any LifeWave related meeting, seminar, or convention, or immediately following a LifeWave event.
- 4.5.7. Business Interference:** A violation of any of the provisions in this section shall constitute unreasonable and unwarranted contractual interference between LifeWave and its Members and would inflict irreparable harm on LifeWave. In such an event,

LifeWave may, at its sole discretion, impose any sanction it deems necessary and appropriate against such Member or such Members positions including termination, or seek immediate injunctive relief without the necessity of posting a bond.

- 4.6 Product Claims:** A LifeWave Member shall not make medicinal claims, therapeutic claims, or any unauthorized representation regarding LifeWave or any LifeWave products, nor shall a LifeWave Member prescribe LifeWave products as suitable for the treatment of any ailment. LifeWave products are wellness products and as such LifeWave Members are not permitted to make any statements that claim LifeWave products will diagnose, treat, cure, prevent, or mitigate disease. LifeWave Products are not recommended for use by persons under the age of 18 unless otherwise directed by a Health care practitioner.
- 4.7 Income and Opportunity Claims:** No unreasonable, misleading or other misrepresentation of earnings or potential income may be made by a LifeWave Member. Income guarantees or expectations of any kind are prohibited, as is disclosure or exhibition of actual or copies of bonus checks or similar evidence.
- 4.8 Future Growth Claims:** A LifeWave Member must not imply or assert that additional products or services will be added to the products and services currently offered or that enhancements to the Compensation Plan are forthcoming or that specific countries, territories, or areas are about to be added to countries, territories, or areas of LifeWave operation unless, or until, that fact has been officially announced by LifeWave.
- 4.9 Governmental Endorsement Claims:** A LifeWave Member shall not represent that the LifeWave Compensation Plan or that any of its products have been approved, sponsored, or endorsed by any governmental agency.
- 4.10 International Sales:** A LifeWave Member may not sell any LifeWave products in countries, territories, or areas where the sale of such products is not authorized by LifeWave. A LifeWave Member may purchase products exclusive to a particular market, while in that market, but may not resell these products in another market.
- 4.11 LifeWave Membership Termination:** A LifeWave Member who does not remain active for a period of twelve (12) months may have their LifeWave Membership terminated by LifeWave.
- 4.12 Reporting Unethical Behavior:** While complaints should generally be directed to and through the LifeWave Member's Upline Sponsors, a LifeWave Member who has a specific complaint about another LifeWave Member, or is aware of any violation of these Policies & Procedures by another LifeWave Member, should direct such complaint in writing or by email to the LifeWave Compliance Department (compliance@lifewave.com) to minimize the negative aspects accompanying such complaints. Included in the complaint should be, the Member who is in breach, a detailed, written description of the breach, as well as documentation to support, if available, such as an email, message, image, etc.
- 4.13 No Waiver of Policy Enforcement:** The failure of LifeWave to enforce any of these Policies & Procedures with any given LifeWave Member at any given time does not waive LifeWave's right to enforce any such provision(s) with that same LifeWave Member or any other LifeWave Member at any other time.
- 4.14 LifeWave Member Lists:** Lists of LifeWave Members ("Lists"), whether partial or complete, and whether prepared by LifeWave Members, LifeWave, or third parties, are the confidential and proprietary information of LifeWave. Lists are provided for the exclusive and limited use of

the LifeWave Member to facilitate training, support, and service of the Member's down line to further the LifeWave Member's LifeWave business only.

- 4.15 Unauthorized Sales Platforms:** The sale of LifeWave products on unauthorized online retail/sales platforms (such as Amazon.com, eBay.com, Facebook.com, etc.) of any kind is strictly prohibited. This includes the use of member-created websites. The terms and obligations contained in this section shall survive the termination of the contract.
- 4.16 Sale of Products:** All Members shall sell the LifeWave Products solely to end-user customers. Members shall not sell any quantity of the LifeWave Products greater than what can be reasonably purchased by an individual for personal use. Members are prohibited from selling or transferring the LifeWave Products to any person or entity for resale without the prior written consent of LifeWave. This includes, but is not limited to, sales to B2B accounts, wholesalers, freight forwarders/drop shippers, or any person the Member knows or has reason to know intends to re-sell the LifeWave Products.

LifeWave members can sell LifeWave products at the retail price of their choosing. However, Members are strictly prohibited from selling LifeWave products or offering product discounts, that would render the sale price below that of the wholesale pricing established by the Company. Selling below wholesale pricing creates a conflict in which the Member becomes a direct and unfair competitor to the Company, and its other Members, and establishes an unreasonable and unsustainable expectation for future product pricing.

- 4.16.1 Accurate Information:** Members shall provide current, accurate contact information to the company and their customers and make it known to their customers that they are available to answer questions, provide advice, and respond to customer concerns. Members shall respond to any questions or concerns from their customers relating to product information, proper usage, or other inquiries. Members should consult their materials, refer to and use available educational tools, or contact LifeWave directly in responding to the customers' questions or concerns.
- 4.16.2 Receipt of Product:** Members must inspect all LifeWave Products upon delivery. If any LifeWave product is damaged in shipment, incorrectly sent due to a LifeWave error, or otherwise of substandard quality, LifeWave will exchange the product, provided the Member notify the LifeWave within 30 calendar days of receipt of the order. LifeWave may opt to issue a return label for the product and send a replacement order. LifeWave will inspect the product upon receipt. If an exchange is not feasible, LifeWave will refund the amount of the returned product. Failure to notify LifeWave within 30 calendar days of receipt of a nonconforming product will be deemed acceptance of the product delivered.
- 4.16.3 Safety:** To ensure the safety and well-being of the end-users of the LifeWave Products, Members shall cooperate with LifeWave concerning any product recall or other consumer safety information dissemination effort.
- 4.16.4 Packaging:** All LifeWave Products shall be sold in their original packaging. Members shall not re-label or repackage (including the separation of bundled products or the bundling of separate Products) any LifeWave Products. Members shall not tamper with, deface, or otherwise alter any serial number, UPC, batch code, lot code, or other identifying information on the LifeWave Products, labels, packaging, or literature. Members shall not translate or modify the contents of any label or literature on or

accompanying the LifeWave Products.

*LifeWave is not responsible for monitoring or managing refunds, exchanges, or Customer Service complaints on LifeWave products, sold through Members online shopping carts (this includes LifeWave Member Replicated Sites).

SECTION 5: SPONSORING

- 5.1 Sponsoring:** Sponsoring is an important part of being a LifeWave Member and carries with it many benefits and responsibilities. A LifeWave Member may act as the Sponsor for new Members if the Sponsor is in good standing with LifeWave and proper recruiting and enrolment protocols are utilized.

Sponsors/Uplines only retain 'rights' or 'privileges' to their downline network as it pertains to qualifications for ranks, commissions, or other elements as outlined in the current Commission Plan. All Members are individually considered to be 'Independent Contractors' for LifeWave and, as such, Members/Sponsors/Upline do not have any ownership, rights, or authorization to access, control, or act on behalf of any other account, and do not hold any form of administrative privileges for any LifeWave membership or account, other than their own. Members engaging in any form of activity on another LifeWave account, without the express, written consent of the account holder AND the Company, is strictly prohibited.

This same principle applies to compliance matters involving downline accounts. Sponsors/Uplines do not hold any specific rights or privileges regarding compliance matters involving other members within their downline. The Company, at its sole discretion, may elect to share certain details of compliance proceedings as it deems necessary and appropriate. However, compliance matters are generally deemed confidential matters between the Members directly involved and the company and, as such, sponsors/uplines (or other Members) are not automatically privy to all details and information.

- 5.2 Prospective LifeWave Member Information:** A Sponsor must provide each potential LifeWave Member with a copy of the most current Policies & Procedures before, or when giving to such person, a LifeWave Membership Application form. If the prospective Member is enrolling online, he/she must personally check the box indicating acceptance of all Policies & Procedures. Sponsors/Uplines are prohibited from agreeing to any Terms & Conditions (Policies, Agreements, etc.) for or on behalf of any Member or Customer they, or others, enroll. Members may download and/or print a copy of these Policies & Procedures at any time.
- 5.3 LifeWave Down line Placement:** A LifeWave Member may only place a personally sponsored account in their LifeWave down lines under their Financial Center. Placing accounts in other lines, including "cross lines" is not allowed.
- 5.4 Change of Sponsorship:** To maintain and protect the integrity, stability, and longevity of the LifeWave network, the changing of sponsors and placements is generally prohibited. Once a LifeWave Member is sponsored and placed within the LifeWave network, LifeWave believes in protecting that sponsor relationship and organizational integrity and, therefore, considers initial placements to be final.

Accordingly, the only way a Member may enact a sponsor change is through the voluntary

cancellation of their account. Such cancellation must be done in writing and per Section 11 of this document. All cancellations/termination request **MUST** be directly submitted by the account holder, and not another Member. Any cancellation submissions made by any Member other than the Member whose sponsor is to be changed will be denied.

The canceled Member must then remain inactive (i.e. no LifeWave activity) for a minimum of six (6) full calendar months from the date of their last activity. The term “activity” (in regards to being ‘inactive’) references any activities or practices relating to LifeWave; such as promoting, recruiting, sponsoring, receiving commissions, ordering, attending LifeWave events, etc. Any such activity by the canceled member will render their account “active” and the six (6) month requirements will reset according to their most recent date of activity.

Following the six (6) month period of inactivity, the former Member may reapply with LifeWave under a new sponsor of their choosing, at the Company’s sole discretion. Any canceled/terminated Member will lose all rights to their former downline network, per Section 11. Therefore, the cancellation and inactivity of a Member do not satisfy the same terms for other members within their original downline.

Only in situations that represent extraordinary circumstances will the Company consider and, at its sole discretion, allow a sponsor change without requiring the above protocol. Examples of extraordinary conditions may include, but are not limited to, cases wherein a sponsoring/recruiting LifeWave Member utilized unethical, illegal, or otherwise prohibited means to recruit or sponsor someone, the sponsoring of an account creates or results in a violation of these terms, an honest mistake was made in the placement of the new account, or the relationship between a Member and their sponsor involves severely inappropriate or troubling interactions and behaviors that may require compliance and/or legal remedies, etc. Extraordinary circumstances generally do not include personal disagreements, dislikes, arguments, personality incompatibilities, or basic non-LifeWave issues between Members.

All sponsor change requests that potentially meet the above criteria/classification can be submitted directly to compliance@lifewave.com. Each situation will be reviewed on an individual basis to determine the validity and potential effects on the LifeWave network. Any change of sponsor will be granted at the sole discretion of the Company. In cases of severe sponsor/upline policy violations, such sponsors/upline may be terminated; thereby removing the necessity for a sponsor change as the requesting Member will automatically ‘roll-up’ per these terms and the most current version of the LifeWave Commission Plan.

When a change of sponsorship has been reviewed and approved by LifeWave’s Compliance Department, and all required documentation and information has been received, (such as a signed Change of Sponsor approval form from the current sponsor, the next 2 uplines through line of sponsorship, and the new sponsor) a charge of \$50 (or then current fee) may be applied to the accounts for which the sponsor change request was made. In the case of a mistake in placement, the change must be requested and executed within five (5) business days of the original date of enrollment. At which time no fee will be charged. If a request for placement change is received after the first five (5) business days following the enrolment, it may be subject to review by LifeWave Compliance Department. If approved, a charge of \$50 (or the current fee) will be applied to the account making the request.

To initiate any sponsor change, the requesting Member must submit a Change of Sponsorship

form to compliance@lifewave.com. Submission of the Change of Sponsorship form indicates the Member's agreement to the processing fee, where applicable. LifeWave will not process any such change without all required elements. In addition, following the submission of a request, the Member must not engage in sponsoring anyone or have any active Members under their position while their request is pending review and approval.

If any Member engages in an unapproved sponsor change, LifeWave reserves the right to determine the final placement of the account, and their sales organization, at its sole discretion. Any attempt by any Member to manipulate or forego proper sponsor change policies, for themselves or others, may result in the automatic denial of any related requests (pending and future) for the involved parties. Such actions may also result in additional action taken by the Company including, but not limited to, termination of the involved Members.

LifeWave maintains the right to, at its discretion, approve or deny any sponsor change request, require specific details or other elements (upline approvals, signatures, etc.) as part of the review and approval process, and determine the final placement of any account or sales organization. The company also maintains the right to retroactively approve or deny any change previously granted based on additional information received that indicates inaccurate, improper, or manipulative details, and documents were submitted to the Company by any party involved in the change request. (this includes forged signatures, false approvals, false reasoning's for the request, etc.) of the enroller change process or other improper business practices.

All Members hereby waive any claims that may arise against LifeWave, its Members, officers, directors, owners, employees, and agents concerning any decision regarding the placement of any account or sales organization as a result of a sponsor change exception granted by the Company.

- 5.5 Global Sponsoring:** A LifeWave Member may ONLY sponsor people from other countries where LifeWave is currently doing business. Sponsoring of new Members in Countries/Markets wherein the company is not currently open or registered to do business is prohibited.

SECTION 6: ORDERING PRODUCTS & SALES MATERIALS

- 6.1 Ordering Guidelines:** A LifeWave Member may order products according to the following guidelines:

6.1.1 Order Shipping: Product orders will generally be shipped within two to three (2 - 3) business days, however, shipping times may vary and can occasionally be delayed. Members may not place orders in their personally sponsored downline member accounts using their credit card, therefore qualifying themselves for commissions. Violation of this policy may result in the suspension or termination of the Member's LifeWave account.

6.1.2 Order Receipt: Upon receipt of a product shipment, LifeWave Members should immediately inspect shipments to determine whether orders are complete and in saleable condition; as outlined in Section 4.15.2. Any discrepancies found in orders (damaged items or products, inconsistent or missing quantities, etc.) must be reported to the Company immediately to allow for proper resolution. Failure to properly report

discrepancies may void a Member's ability to process returns, or received refunds or product replacements, at the discretion of the Company.

- 6.1.3 Product Stock:** If an item is found to be out-of-stock during processing, the item will be placed in "Backorder" status, Customer Service will be in contact and the Backordered product will be shipped to the Member when it becomes available, at no extra cost. Please contact U.S LifeWave Customer Support at 1-866-202-0065 or LifeWave Europe Customer Support at +353 91 8746 00 if the Member has a question regarding their order status.
- 6.1.4 Order Processing:** Because LifeWave strives to process orders quickly it is difficult to modify an order once it has begun processing. Members can call Customer Service within 24 hours and the Company will let them know if their request to change or cancel an order can be accommodated. If the Company is unable to do so, the Member may simply return any unwanted item and the Company will place a credit on the Member's account that can be used towards their next purchase. LifeWave will not be responsible for the charges incurred of such a return.
- 6.1.5 Tax:** To comply with the US and International tax laws, LifeWave is obligated to collect sales tax on online orders shipped to locations in which the taxing authority requires us to do so. All taxes collected are paid to the state/country where the order was shipped. Any additional taxes or Customs fees that are assessed to the member by local agencies are the sole responsibility of the member/customer.
- 6.1.6 Shipping Charges:** LifeWave is not responsible for shipping charges incurred when the recipient is for any reason unable to accept items shipped. It is the responsibility of the member/customer initiating the order to ensure that the shipping address provided is a current, working address. Any additional shipping charges incurred as a result of a failure to comply with the above and point. 6.1.4, will be the responsibility of the member. PLEASE NOTE that all orders totaling \$250 USD or more may require a signature for delivery.

6.2 Sale of Products / Bonus Buying / Circumventing of LifeWave Compensation Plan:

Each LifeWave member commits to personally use, sell, or use in business building at least 51% of every order placed with the Company before placing another order, and must be able to certify to such if demanded by the Company. Purchasing products solely to collect bonuses or achieve rank is prohibited. LifeWave retains the right to limit the number of purchases a Member may make if, in the Company's sole discretion and judgment, it is believed those purchases are being made solely for qualification purposes instead of for consumption or resale or may be involved in any form of fraud or manipulation of LifeWave's return/refund policies.

Bonus buying is strictly prohibited. Bonus buying includes:

(a) the enrollment of individuals or entities without their knowledge of and/or appropriate execution of an Agreement by such individuals or entities;

(b) the fraudulent enrollment of an individual or entity as an Independent Member or customer;

(c) the enrollment or attempted enrollment of non-existent individuals or entities as Members or customers ("phantoms");

(d) purchasing LifeWave products or services on behalf of another Member or customer, or under another Members or customer's ID number, to qualify for commissions or bonuses;

(e) purchasing excessive amounts of goods that cannot reasonably be used or resold in a month; and/or

(f) any other mechanism or artifice to qualify for rank advancement, incentives, prizes, commissions, or bonuses that is not driven by bona fide product purchases by end-user consumers.

Any Member suspected of engaging in Bonus Buying, or similar activities, may be required to submit sales receipts and other information regarding their purchases, sales, and inventory to the Company for review. Refusal by the Member to cooperate in this regard may be interpreted by the company as evidence of a violation of these terms. Members found to be in violation of these terms may be subject to disciplinary sanctions up to, and including termination.

6.3 Credit Card Transactions / Chargebacks / Other Financial Matters: LifeWave, in the course of doing business, accepts and utilizes credit cards per its Terms & Conditions. The type and extent of credit card use or acceptance may vary, depending on the location of residence or local laws and regulations. Any unethical or illegal use of credit cards by any Member or Customer is prohibited. Members must never utilize another's credit card information in any way, for any reason, without that individual's express, written consent. Any unauthorized use of a credit card, including a Member's use of their credit card on other accounts (without the prior, written consent of the account holder) is strictly prohibited.

When a bank forcibly reverses a credit card transaction, returning funds to the cardholder, it is known as a chargeback. Chargebacks are usually issued when fraudulent purchases have been made on a person's credit card. When LifeWave receives a chargeback notice, the account in which the product was purchased is immediately blocked, and all related services in the account are inactivated. In the interest of caution, LifeWave considers chargebacks to be the result of fraud and suspends all accounts for 30 days or until the issue is addressed. LifeWave reserves the right to charge \$50 to reinstate an account that has been inactivated due to a chargeback notification. When a Member receives an "advanced" commission on any LifeWave product, they are subject to a claw-back of any "unearned" commissions if the member receives a refund at Company's discretion. Chargeback will be deducted from any future commissions until chargebacks are relieved. Bonuses received by Members are subject to a 100% chargeback due to fraudulent business or unethical activity.

The fraudulent submission of a chargeback (including false claims made to the issuing bank/institution to receive an unqualified refund) is akin to theft and can result in damaging and costly ramifications for the Company. Therefore, any fraudulent chargebacks or false claims made to a bank or other financial institution by any Member/Customer in regards to LifeWave is strictly prohibited. Any Member/Customer found issuing fraudulent chargebacks or false claims against the company, for any reason, may be subject to immediate termination and may also be held legally responsible for making full restitution regarding any financial costs or losses subsequently experienced by the company.

LifeWave will not tolerate any other form of credit card or financial fraud, money laundering, financing of phantom accounts, or the use of LifeWave accounts to directly or indirectly finance or, in any way, benefits individuals or entities engaged in illegal, criminal, unethical, questionable, or otherwise problematic activities. Any Member who engages in any of the above activities may be subject to disciplinary actions as outlined in this document.

SECTION 7: RETURNS / EXCHANGES

- 7.1 Refund Policy:** The company will refund/repurchase, on reasonable commercial terms, currently marketable inventory in the possession of the Member and purchased by the Member under the terms and conditions listed herein. The term “reasonable commercial terms” may include the repurchase of marketable inventory within twelve (12) months from the Member’s date of purchase at not less than 90 percent of the Member’s original net cost, less appropriate withholdings, if any.

Products shall not be considered “currently marketable” if returned for refund/repurchase after the products’ commercially reasonable usable or shelf life period has passed; nor shall products be considered “currently marketable” if the Company discloses to the Member prior to purchase that the products are seasonal, discontinued, special promotion products, or clearance and are not subject to the refund/repurchase obligation. Prior to returning the product, the Member must request from Customer Service a “Return Merchandise Authorization” Number (RMA).

Once an unused portion of the product is received, LifeWave will refund a minimum of 90% of the net cost to the Member. Since orders are processed in US Dollars, refunds will be issued in US dollars as well. The Company may deny or allow exceptions at its sole discretion, on a case-by-case basis.

*Note: If there is no product left to return, LifeWave will consider the product consumed and may elect to not issue a refund, at its sole discretion.

- 7.2 Return of Products – General Summary (Members):** All returns of multiple packages of the same product must be unopened and in resalable condition, except for the one package from which the product was used.

For Member/Distributors (Excluding the Initial Order) To receive a 100% refund all returns of multiple packages must be returned apart from the one. If you order multiple packs of the same products and only return 50% of these, you will only receive a 50% refund, if you return 60% then you will receive a 60% refund. This is excluding the shipping.

7.2.1 Return Shipping: All shipping costs to return the product are the responsibility of the Member.

7.2.2 Return Timeframe: All returns must be made within 1 year from the date your purchase was shipped and must be commercially marketable per the definition above in 7.1.1.

7.2.3 RMA Number: Customer Service must issue a Return Merchandise Authorization (RMA) number prior to any return.

- 7.3 Enrollment Order Returns:** Returns of enrollment orders will cancel the member’s business

center activation, and Returns of enrollments and Upgrade will cancel any commissions generated by the original purchase. Commissions generated for the member's sponsor will also be withheld and deducted. Volumes generated by this return will be deducted from the entire upline. (Please see Section 7.7 for more details)

- 7.4 Damaged/Defective Product:** Damaged or defective merchandise may be returned for replacement only and is subject to inspection. Members/Customers are responsible for notifying the Company of damaged or defective products within ten (10) business days of receiving the product.
- 7.5 Return of Sales Aids:** Existing Members may return sales aids such as posters, banners, literature, CDs, etc. Members who are canceling their Membership and returning the Enrollment kit may also return the sales aids, etc. for a refund as they are included in the enrollment kit.
- 7.6 Lost/Missing Orders:** Members/Customer must report any lost or missing orders within five (5) business days of the expected delivery date. The first time a Member/Customer orders a product and reports to the Company that they did not receive the order, LifeWave will issue a replacement of the order to them. The second time the same Member/Customer reports that they did not receive their order, LifeWave will issue this member a refund and cancel their account. That Member/Customer will not be allowed to re-order for a minimum of three (3) months or any period as determined at the sole discretion of the Company.
- 7.7 Member/Distributor Return of Initial Order:**

LifeWave has a 30-day money-back guarantee for their initial order.

If a Member is unhappy with their product, LifeWave will offer a full refund (excluding shipping fees), as long as the refund request is received by LifeWave within 30 days of the original ship date of the product to the member.

All returns of multiple packages of the same product must be unopened and in resalable condition, except for the one package from which the product was used. This open package must also be returned. The return of this initial order will cancel this member's business center activation.

All shipping costs to return the product are the responsibility of the member. The customer must contact the company to receive a Return Merchandise Authorization (RMA) number prior to returning any product or initiating any refund. Returned product/packaging must include the RMA number and refunds will be issued upon receipt by the Company of properly returned product/packaging by the company.

All volume and related commissions paid on the returned order will be deducted from the applicable LifeWave Members their sponsor and the respective upline.

****Please note**** International / APO / FPO addresses: Items shipped to international addresses can take a minimum of 20 ± business days to arrive. The Company is unable to provide tracking information for international orders unless the Member chooses a trackable ship method for their order. Credit and/or reship requests for items not delivered will not be processed or considered any time prior to 90 days from the original order date.

7.8 Retail Customer & Preferred Customer Returns/Refunds: LifeWave offers Retail & Preferred Customers a **90-day Money Back Guarantee** for the initial (first-time) order on a given LifeWave Retail or Preferred Customer account.

If a Retail or Preferred Customer is dissatisfied with the product, LifeWave will offer a full refund (excluding shipping fees) for the initial (first-time) order on a given LifeWave Retail or Preferred Customer account, as long as the request for a refund is received by LifeWave within ninety (90) days of the original shipping date of the pertinent order. Refund requests may be submitted by contacting LifeWave's Customer Service Department. (Customer Service contact details can be found at lifewave.com)

The 90-day Money Back Guarantee is ONLY applicable on initial (first-time) order on a given Retail or Preferred Customer account. The 90-day Money Back Guarantee will be considered void in the event a given Retail or Preferred Customer creates multiple/duplicate accounts resulting in multiple orders within the LifeWave system. Return of unused product or packaging is not required.

Subsequent or secondary orders will be subject to LifeWave's standard Retail & Preferred Customer return/refund policies as outlined below. Retail & Preferred Customers Product Exchanges are subject to the terms outlined in Section 7.9 of these policies.

Retail & Preferred Customers may submit a refund request for subsequent or secondary product orders for a full refund (excluding shipping fees), as long as the request for a refund is received by LifeWave within thirty (30) days of the original shipping date of the pertinent order. Return of unused product or packaging is not required. All requests must be initiated by contacting LifeWave's Customer Service within thirty (30) days from the date the order was shipped.

Once a particular product has been ordered and subsequently refunded on a given Retail or Preferred Customer account (through either the ninety (90) day or thirty (30) day return policy), that particular product will not be eligible for any future refunds unless returned to the company in a resalable condition. (Unexpired, unopened, undamaged, etc.) In which case, all terms outlined in Sections 7.11 and 7.12 of these policies must be met. Refunds of this type will not include original shipping costs. All product returns must be received by the company within twelve (12) months from the product order date to be valid. Refunds for products not meeting requisite terms and/or not received after the twelve (12) month period will be considered void.

Retail & Preferred Customer accounts found having multiple, systematic, or sustainable refund request practices may be subject to termination due to possible fraud or manipulation, at the sole discretion of the Company. Retail or Preferred Customers who create multiple/duplicate accounts within the LifeWave system are also subject to termination.

Preferred Customer accounts may be subject to altered or additional terms as outlined in the current/official Preferred Customer Program documentation.

LifeWave maintains the right to accept or deny any refund request, at its sole discretion, for any reason it deems necessary. All requests are reviewed and approved on a case-by-case basis; previous results do not determine future approval.

NOTE: Customer returns and refunds may result in the removal of points stemming from the associated orders. The removal of points may have a direct effect on a Member's activity status, commission/bonus amounts, or other elements of the LifeWave business.

- 7.9 Exchanges:** LifeWave offers product exchanges under the following conditions:
- 7.9.1 Exchange Requests:** All exchange requests must be submitted to LifeWave's Customer Service made within thirty (30) days of the shipping date for unopened products.
 - 7.9.2 Damaged Product:** Except for damaged or defective merchandise, all products must be returned unopened and in a saleable condition in order to receive a refund.
 - 7.9.3 Additional Returns/Exchanges:** Once a Member/Customer has made a return from a specific order, the exchanged products may not be returned for additional exchanges or refunds.
- 7.10 Member Refunds:** LifeWave is happy to refund the cost of the product, subject to the terms defined in 7.1.1. Refunds or additional charges caused by exchange will be processed to the original credit card used at the time of purchase. If this card is no longer active, the Member must contact Customer Service to make other arrangements. Only packages with the proper authorizations (such as an RMA number) will be processed for a refund. Any unauthorized returns may be denied a refund, at the sole discretion of the company.
- 7.11 RMA Required:** All products being returned by Customers or Members must be linked to a specific order placed in the LifeWave system. This is verified by the company through the use of Return Merchandise Authorization (RMA) numbers. RMA numbers can be obtained by contacting LifeWave's Customer Service. The lack of an RMA number may result in the denial of a refund, as noted in these policies. RMA numbers do not guarantee a refund and all returns must meet applicable criteria outlined in these policies. Products must be returned within a minimum of twelve (12) months from the date of purchase. Refunds for products not meeting requisite terms and/or not received after the twelve (12) month period will be considered void.

- 12.4 Unsolicited / Commercial / Bulk E-Mail:** Member/Distributor agrees not to use any of LifeWave’s services, directly or indirectly, to solicit the performance of any activity that is prohibited by law or for the illegal distribution of Unsolicited Commercial Bulk E-Mail (“UCBE”), commonly known as “SPAM”, nor will Member/Distributor forge or use without authorization, any mail header information. Member/Distributor agrees and understands that several states and the federal government have proposed and/or passed legislation into law to control UCBE. - 13.2 Shipping Location Governance:** The laws of the Republic of Ireland will govern the terms of this agreement if a Member’s orders are shipped from the Ireland Distribution Center. For orders filled from locations other than the Ireland Distribution Center, the laws of the State of California, USA will govern the terms of this agreement.
- 13.3 Enforceability:** Should any provision of LifeWave’s Policies be determined to be void, invalid, or otherwise unenforceable by any court or tribunal of competent jurisdiction, such determination shall not affect the remaining provisions hereof which will remain in full force and effect.

SECTION 14: DISPUTES (US Only)

ANY CONTROVERSY OR CLAIM ARISING OUT OF, OR RELATING TO, THESE POLICIES & PROCEDURES, THE COMPENSATION PLAN, OR THE BREACH THEREOF, SHALL BE SETTLED BY CONFIDENTIAL ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES, AND JUDGMENT ON THE AWARD RENDERED BY THE ARBITRATOR MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF. IF A MEMBER FILES A CLAIM OR COUNTERCLAIM AGAINST LIFEWAVE OR ITS OWNERS, DIRECTORS, OFFICERS OR EMPLOYEES, THE MEMBER MAY ONLY DO SO ON AN INDIVIDUAL BASIS AND NOT WITH ANY OTHER INDIVIDUAL OR AS PART OF A CLASS ACTION. MEMBERS WAIVE ALL RIGHTS TO TRIAL BY JURY OR TO ANY COURT.

All arbitration proceedings shall be held in San Diego County, California unless the laws of the jurisdiction where the Member resides expressly require the application of its laws, in which case the arbitration shall be held in the capital of that jurisdiction. At least one arbitrator shall be an attorney at law experienced in network marketing. Neither the parties nor the arbitrator(s) may disclose the existence, content, or results of any arbitration without the prior written consent of both parties. Judgment on any award rendered

by the arbitrator(s) may be entered in any court having jurisdiction. Each party to the arbitration shall be responsible for its costs and expenses, including legal and filing fees; provided, however, that the arbitrator will have the discretion to award legal fees and other costs to the prevailing party. The decision of the arbitrator shall be final and binding on the parties. This agreement to arbitrate shall survive any termination or expiration of the Member's relationship with LifeWave.

Nothing in the arbitration provision prohibits either party from obtaining a temporary injunction, preliminary injunction, permanent injunction, or other equitable relief available to safeguard and protect the party's interests prior to, during, or following the filing of any arbitration or other proceeding, or pending the rendition of a decision or award in connection with the arbitration or other proceeding. The arbitrator(s) will have the authority to continue injunctive relief and to enter a permanent order granting such relief.

In addition, nothing in the arbitration provision shall prevent LifeWave from filing a lawsuit to identify unknown persons, including, but not limited to, unidentified Members, who may be selling LifeWave products on the Internet, cybersquatting, registering or attempting to register, or using LifeWave trademarks or confusingly similar domain names, or producing, modifying or repackaging LifeWave merchandise without authorization. Once a person is determined to be a Member, LifeWave may take further action against such persons. The filing of a lawsuit and taking any action in that lawsuit to identify unknown persons shall not be a waiver of any right or obligation outlined in the arbitration provision.

In the event that a dispute or claim arising out of, or relating to this Agreement, is not subject to arbitration as set forth above, the laws of the state of California shall govern, and the parties agree that proper jurisdiction and venue shall be in the state and federal courts located in San Diego, California. In the event of a dispute for jurisdictional purposes, persons residing in Louisiana shall be entitled to file an adjudicatory claim or lawsuit in the jurisdiction of Louisiana and the governing law shall be Louisiana law. If the laws of the Member's place of residence impose any requirement that is different from or in addition to those outlined in these Policies, then these Policies shall be deemed amended in conformance with those laws as to that jurisdiction only.
